- 1.5.1 **Average Annual Turnover** of the bidders during the last three years ending 31st March of the previous financial year should be at least **Rs. 7.45 Lakhs per station for both Co-branding Rights and Inside Station Advertisement Rights**. The Bidder shall submit audited financial year data (as applicable) of last three years (i.e. **FY 2020-21, 2021-22 and 2022-23**) certified by Chartered Accountant with stamp & signature along with UDIN.

Example: If the bidder is bidding for Two (02) Metro Stations, the minimum average annual turnover of *INR 14.90 lakhs (Rupees Fourteen lakhs and Ninety thousand Only)* in last three (03) audited financial years (i.e. FY 2020-21, 2021-22& 2022-23) is required (Minimum average annual turnover per station * Number of Stations = *INR 7.45 lakhs x 2 Stations = INR 14.90 lakhs*). The same shall be calculated for more number of stations in which the bidder is interested.

- **For Direct bidders, Annual Turnover shall mean turnover from all sectors of business(es).**
- **For Third party bidders/ advertisement firms, the Annual Average Turnover as mentioned above should be from advertisement business(es) only.**
- The average annual turnover of JV will be based on percentage participation of each member.

Example: Let Member-1 has percentage participation = M and Member - 2 has =N. Let the average annual turnover of Member-1 is 'A' and that of Member-2 is 'B', then the average annual turnover of JV will be

$$= \frac{AM + BN}{100}$$

- **It is to be noted that the Bidders need to specify the Preference number for each of their Bided Station as per Annexure- 14 of this RFP. In case, the turnover mentioned doesn't suffice for the number of Bided Stations, the preference order shall be taken into consideration and only stations in the preference order meeting the turnover criteria shall be evaluated.**

Example: If the bidder is bidding for 2 stations, let's say Kalyanpur (Preference 1) and CSJM University (Preference 2), the minimum average annual turnover of *INR 14.90 lakhs (Rupees fourteen lakhs and Ninety thousand Only)* in last three (03) audited financial years (i.e. FY 2020-21, 2021-22 & 2022-23) is required. (Minimum average annual turnover per station * Number of Stations = = *INR 7.45 lakhs x 2 Stations = INR 14.90 lakhs*). But the annual turnover specified by the Bidder is let's say *INR 12 lakhs (Rupees Twelve lakhs only)*. Then in

that case, the Station with Preference 1 (i.e. Kalyanpur) shall be considered and Preference 2 (i.e. CSJM University) shall be rejected on account of inefficiency to meet the eligibility criteria.

NOTE: -

- Financial data for latest last three audited financial years (i.e. FY 2020-21, 2021-22 and 2022-23) has to be submitted by the tenderer in Annexure-8 along with audited balance sheets (as applicable). The financial data in the prescribed format shall be certified by Chartered Accountant with his stamp and signature alongwith UDIN. In case audited balance sheet of the last financial year is not made available by the bidder, he has to submit an affidavit certifying that *'the balance sheet has actually not been audited so far'*. In such a case the financial data of previous '2' audited financial years will be taken into consideration for evaluation. If audited balance sheet of any year other than the last year is not submitted, the tender may be considered as non-responsive.
 - In case of JV/Consortium, full value of the work, if done by the same joint venture shall be considered.
